		*In geographical locations only	
Commercial/ landscape	\$2.06 per unit - base rates depend on meter size.		

Residential Sewer Information

Sewer fees are based on your prior monthly winter average water use during those months when the least water was consumed city-wide. Sewer fees are \$4.01 per unit plus a base charge of \$18.91 per month. For new customers with no winter month average the monthly rates are as follows:

SEWER RATES			
Single Family Monthly Service Fee	\$50.99		
Multi-Family Monthly Service Fee	\$34.95		
*Lift Station Monthly Service Fee	\$8.77	*For customers in specific geographical areas.	

Notes Regarding Sewer Rates

The rates are set according to customers' actual usage history. For new customers without a winter average in that home, the single-family rate assumes a winter average of 8 units, and the multi-family rate assumes a winter average of 4 units.

Commercial Accounts

Fees vary depending upon meter size and type of business. Sewer charges are calculated monthly based upon actual water usage. Call for more information.

Low Income Discounts

Low income discounts are available for qualifying customers. Please call Utility Billing Office at 408-779-7221 or email us at utilitybilling@morganhill.ca.gov for more information.

Other Fees/Costs

All new and reactivating accounts incur a \$38 account activation/set up fee.

Same day service requests cost an additional \$51 if the request is made prior to 3:00pm.

Shut off notices are processed if your account becomes 15 days late and assesses \$14 to your next bill.
