Our core programs are based on this goal and on the core values of Respect, Responsibility, Honesty, and Caring.

INSIDE THE FACILITY

- **Report All Suspicious Persons to the Welcome Desk.** Getting information to staff and police as soon as possible usually can prevent a theft.
- **Report All Thefts.** If you determine that an item has been stolen, report it to the Welcome Center immediately. The Welcome Center staff will assist you in contacting the police to file a police report.
- **Lock Up All Belongings.** Do not leave items anywhere in the facility unattended. Lock up all items in lockers or keep them with you. Make sure your lock is securely locked. Locks are offered at an affordable rate at the front desk for those that need them.

IN THE PARKING LOT

- **Report All Suspicious Activity to the Welcome Desk or the Police Department.** If something looks out of place report it immediately. Do not hesitate to report people parking for extended periods, looking into other people's cars, or acting in any other unusual manner.
- **Do Not Leave Valuables in your Vehicle.** Do not provide any reason for people to want to break into your car. If you have to leave items keep them in secure areas out of sight.

Water Walking is allowed in the slow lane only.

All facility members and guests ages 12 and over are allowed to swim laps during lap time and recreational time. Circle swimming is required when there are three (3) or more swimmers per lane. In this case, all swimmers will stay on the right side of the lane. Please wait at the end of the pool until all swimmers in the lane have noticed that you will be joining the lane.

If two people are already in the lane, stand in the water at the ends of the lane and wait for the other two lap swimmers to acknowledge you. You can also ask the lifeguard(s) for assistance. When you reach the walls while swimming, check for any other swimmers who may want to join the lane.

Choosing the Appropriate Speed Lane

Each lane is designated as Slow, Medium, or Fast. Swimming in the appropriate speed lane will make your workout more enjoyable. It is the lifeguard's responsibility to match swimmers with the appropriate speed lane. For safety, the lifeguard may ask swimmers to move to different lanes to accommodate faster or slower swimmers.

People Passing

As a general rule, if you feel the person behind you is creeping up to your feet, stop at the end of the pool and let him/her pass. If you are doing the passing, please wait until you get to the end of the lane to pass.
